We have someone who wants the old Games Room chairs and these will be cleared by the weekend

ENTERTAINMENTS:-

The last function D. J. Karaoke was a great success, well attended and a surprise appearance added to the fun and everyone seemed to enjoy the evening. The next function will be a Bingo night on 21st August. The meat raffle last Sunday was well supported and thanks to Willie for organising it in Jim's absence and to Terry for doing the donkey work. Also on the same Sunday lunchtime some members of Barleymix played various instruments with some members joining in with the singing, great fun was had by all at this informal jam session. Thanks to Barleymix and hope to see them again soon.

CLUB GAMES:-

Ongoing with more news next month.

ANY OTHER BUSINESS:-

We are sorry to know that our member Harry Butter is quite ill in hospital and we will send a card to let him know we are thinking of him. Rod queries the use of the recently acquired computer, can we justify it sitting in the office if not being used? Rod has taken a photograph of our benefactor Roger Leigh Pemberton and framed it and hung it on the wall in the lounge. It was decided to offer the large oil painting that it was taken from to John Hesketh to be hung in Barham Court, on loan, where they have the room to display it with a small sign giving a brief history of the picture and subject. We have a new caricature, of Tony Roser which is a very good likeness, Rod will frame this and hang it in the Games Room gallery! A letter will be sent to West Malling Club, thanking them for the new chairs in the Games Room. Terry will do the meat raffle in August, in Jim's absence.

There being no other business the meeting closed at 8.17 pm

K Ivey
Chairman.
