

4.	<p><b><u>Finance</u></b>  Bob advised that we are still doing well on the bar takings and everything else is doing ok.</p>	
5.	<p><b><u>Bar</u></b>  The committee was advised of a number of complaints that the Stella is still not cold enough and that the Becks is coming out flat. An engineer has been out to survey our equipment and advised he will suggest to the Brewery that they replace the whole system as CO2 is being lost. The Brewery should cover the cost of this plus an extra cooler for the Stella, so it will come through as super-chilled.  It was also reported that we will shortly need to cover the bar on a Tuesday night.</p>	
6.	<p><b><u>House</u></b>  It has been mentioned that it has been a little dull in the games room. Rod suggested installing some low energy LED lights in there to brighten the room up. I was agreed that we should look into this and Rod will get some quotes for this.</p>	<b>RT</b>
7.	<p><b><u>Entertainments</u></b>  Nothing to report.</p>	
8.	<p><b><u>Club Games</u></b>  These will be held in the Spring.</p>	
9.	<p><b><u>Any Other Business</u></b>  It was advised that we will need to check which of the committee members will be up for re-election at the AGM.  Bob suggested we run a weekly quiz night every Tuesday night. It was agreed that this would be worth having a trial period at the very least, but will need someone to organise this on a regular basis.  Bob had also received the suggestion that we have a pentanque pitch set up. It was agreed that we would consider this once we have a price of doing this.  The next committee meeting will be held on 10<sup>th</sup> January 2011.</p>	<b>KW</b>

There being no other business the meeting was closed at 9:27pm

P. Bond, Acting Chairman .....
