A letter was received from a member of the whist club, which will be dealt with by the Chairman. Correspondence was received from the K.A.W.C., which will be posted on the notice board and a questionnaire completed and returned to the secretary of the Association.

FINANCE:-

The figures are slightly up on fruit machines and the same down on the bar taking last month. Bar prices will go up this month as previously minuted. The possibility of changing the fruit machines was discussed but no final agreement reached.

NEW MEMBERS:-

There were no new members this month.

BAR COMMITTEE:-

It was agreed by all the Carrie Ann did a great job behind the bar in Willie's absence and we are pleased that she is willing to stand in again if required. It was agreed to replace the present real ale Flowers IPA with Shepherd and Neame Spitfire Ale. Lazer oven food is not going as well as was hoped, but Ronnie will loan a microwave oven (enabling the bar staff to defrost food to order) in an effort to cut down on wastage. Bob will then cost out the food to see if it is worth carrying on.

HOUSE COMMITTEE:-

Rod reports that the curtains at the roadside window in the lounge would not pull as the pulley mechanism was jammed and had been difficult to use for some time. He had to cut the cords and they will have to be pulled manually. The boiler is making 'unhealthy' noises and Rod feels that the gas valve may need replacing. This will have to be investigated by the Autumn. Both heating systems are now switched off. Rod asked for guidance when carrying out the risk assessment required by the Kent Fire and Rescue Service, Bob and Jim will assist. Rod submitted an

attractive sketch for the sign for outside the club. We all agreed it was very good and he will get a costing for this for the next meeting.

ENTERTAINMENTS:-

The St. Georges Day celebration with Flashback was good entertainment, enjoyed by those who were able to attend. The next function is the Quiz Night on 20th May.
