APOLOGIES FOR ABSENCE:- A. Hickman, T. Smith, T. Pilbeam, P. Bond

ADOPTION OF PREVIOUS MINUTES:-

The previous minutes were accepted and duly signed as a true record.

ANY MATTERS ARISING:-

The trees have been ordered for the front of the club. Two Acers, one red foliage and one green and white variegated, of comparable size. They should complement each other and will be available end of October to early November. The new tickets for the lottery machine, minimum payout £2.00, have been ordered, and will arrive shortly. Rod will endeavour to get the new main door sign made as soon as possible.

CORRESPONDENCE:-

A letter was received from the M.B.C. regarding the new licensing laws and informing us of the availability of information on their website. Bob will get this information for the next meeting.

FINANCE:-

Figures are generally down again on last year except one fruit machine which is showing a rise.

NEW MEMBERS:-

There are three new members this month Mrs. Jean Simmons, Mrs. Marsha Butler and Mr. Barry Reynolds. A welcome pack will be sent out to each.

BAR COMMITTEE:-

Nothing to report

HOUSE COMMITTEE:-

The door to the Gents toilet in the games room has been slightly damaged, probably with a cue. The heating has been sorted out for the

winter.

ENTERTAINMENTS:-

The last function, the quiz night was a success even though there weren't the usual amount of teams. There was a problem with the mike and Rod will have a look at this before the next function. Many thanks to the people who supplied food at short notice. The Sunday informal gig with Barlimix was very much enjoyed and the meat raffle, held on the same day, was a success. A letter of thanks will be sent to Tim and Sheila, of Barlimix. The next event will be a group, Flashback, playing 50's, 60's and 70's music, on the 16th October.

CLUB GAMES:-

The annual Knockout Final will be held on Monday 18th October and a notice will be put up.

ANY OTHER BUSINESS:-

It was agreed to hold an informal open evening on Wednesday 17th November. Our November article in the Tapestry will invite villagers to come in and meet Willy and the Committee. In an effort to encourage people new to the village to see our club, get to know us and perhaps join. The more members using the club on the evening the better, to welcome any prospective new members.

It was decided not to send out a newsletter this year, as it apparently did very little good in previous years.

The Christmas draw boards will go on display in the next week or two. Rod will purchase plastic covers for the 'menus' on the tables

There being no other business the meeting closed at 8.55 pm

K Ivey
Chairman.
