PRESENT: -

J. Wood (Chair), R. Harker (Treas), B. Playford (Sec), R. Thornton,
T. Smith, S. Worcester, V. Williams, R. Pullen & N. Wood

APOLOGIES FOR ABSENCE:- P. Bond

ADOPTION OF PREVIOUS MINUTES:-

The previous minutes were accepted and duly signed as a true record.

ANY MATTERS ARISING

The humidity problem seems to have been resolved. Kronenberg lager will probably be on offer by the end of the month and Bombadier bitter is selling well.

CORRESPONDENCE:-

A letter was received Mr. Wilson and will be acknowledged, the contents of which have been taken on board by the entertainments committee. A thank you card was received from Bridget with regard to her Father's 'wake' held in the club.

FINANCE:-

There was an increase in the bar, lotto and fruit machine 1, on this month last year. If the current trend continues, our Treasurer feels that we may break even at the end our financial year.

NEW MEMBERS:-

There were two new members this month. Gemma Maitland and Sylvia Knowler.

BAR COMMITTEE:-

Our bar committee mooted a suggestion that as from the end of British Summer Time i.e. 29th October, Sunday opening times be changed as follows:- Lunchtime session be extended, from 12 noon to say 5pm, omitting the evening session. This would in effect save on heating/lighting and to an extent, wages during the winter months. Members views on this idea would be appreciated, before the committee meets again next month.

HOUSE COMMITTEE:-

Rod has received the approval from the Council for the club sign and is in the process of costing out the job. Jim will help Rod with the final completion of the risk assessment and a safety check will be carried out. There was a problem with the urinals in the Games Room toilet, but this has been resolved.
